

## How to Make a Bequest

Making a bequest is relatively simple and you don't need to make a whole new will.

If you have a will you need to add a codicil, a supplement to a Will to alter or modify it. This should be checked and approved by a legal advisor.

If you don't have a Will, it is best to talk with a legal professional as a will is a legal document. Your advisor will discuss options and wording with you.

### Wording for a Bequest

"I give and bequeath the sum of \$\_\_\_\_\_ (or) \_\_\_\_\_ % of my estate, (or) residue of my estate, (or) property or assets as follows
